No other neighborhood in San Francisco is layered with so much history and culture. Underneath the superficial exhibits of tourist displays there is a neighborhood that has survived xenophobia, gang wars, violence, gentrification, etc. It has served as a port of entry for many Chinese immigrants since 1848. These neighbors have overcome the Exclusion Act of 1882, The Great Earthquake of 1906, and reflected political divisions of major occurrences on the mainland of China and Taiwan. I will be taking you through the back alleys of Chinatown, stopping at several places providing an introduction and back drop on a significant minority group of Americans in San Francisco. We will have a Diem Sum lunch at Great Eastern Café around 10:15am. We will continue non-stop, concluding at approximately 1:30pm.

An evening of food, friends, fun (and maybe fog!) FCCPA member Steven Ketchpel has been performing with comedy improv troupe Blue Blanket Improv for ten years. See their madcap antics in short form improvisational comedy. Each scene (4 - 8 minutes in length) will stretch the actors as they take suggestions from the audience, and create a scene on the spot. As a further complication, each scene imposes new rules: actors switch every 30 seconds, or speak in rhyme or gibberish, are blindfolded or have a mouthful of marshmallows! Watch as the actors create characters, stories, and jokes before your eyes! We'll start with an optional no-host dinner of Thai food at White Elephant Thai (next door to the fitness studio where Blue Blanket performs). Our shows are family-friendly, and appropriate for children age 7 and older. Carpooling from FCCPA parking lot leaves at 4:30, returning approximately 9:45. Call host for arrangements. *Wheelchair accessible*

Join us for an evening of good company and holiday entertainment. We will open the evening with dinner and holiday cheer at Parks Place (home of Gina, Jess, CeCe and Joanna) and then relocate up the street to the Performing Arts Center at the Menlo-Atherton High School to see the ballet. "It's a Wonderful Nutcracker" blends the magic of the traditional Tchaikovsky Nutcracker with the heartwarming message from Frank Capra's "It's a Wonderful Life." We are thrilled to support 2 fabulous places in our community! WE love FCCPA and our fabulous church community as well as our own Menlowe Ballet, a small professional ballet company that works tirelessly alongside the Menlo Park Academy of Dance to bring the Arts to our area.

And... we are also supporting 2 special girls: Joanna will be playing the role of Chimney Sweep and CeCe will dancing as a Snowflake, Flower and Chinese dancer. More information can be found at <http://menloweballet.org>
