

STOCK DONATION FORM

United Church Funds (UCF) provides stock donation services through our custodian bank, Bank of New York Mellon (BNYM). This service is provided free of charge to allow individual donors a secure and cost-effective opportunity to donate appreciated securities to their local church or preferred charitable organization. While UCF may not be able to provide these services for some securities, most exchange-traded stocks can be easily transferred directly from the donor's brokerage firm to UCF.
